BERNSTEIN DISPLAY

Founded in 1917, we have a rich heritage as a supplier of visual presentation products and fixtures, providing unprecedented quality, design, and service. Proprietary as well as customized products include mannequins in a diverse range of materials, upholstered apparel forms, retail fixtures, accessory displayers, furniture, and decoratives. Internationally recognized as a trusted source for creative design development, project management, quality manufacturing, and customer service we are committed to exceeding expectations with each and every project.

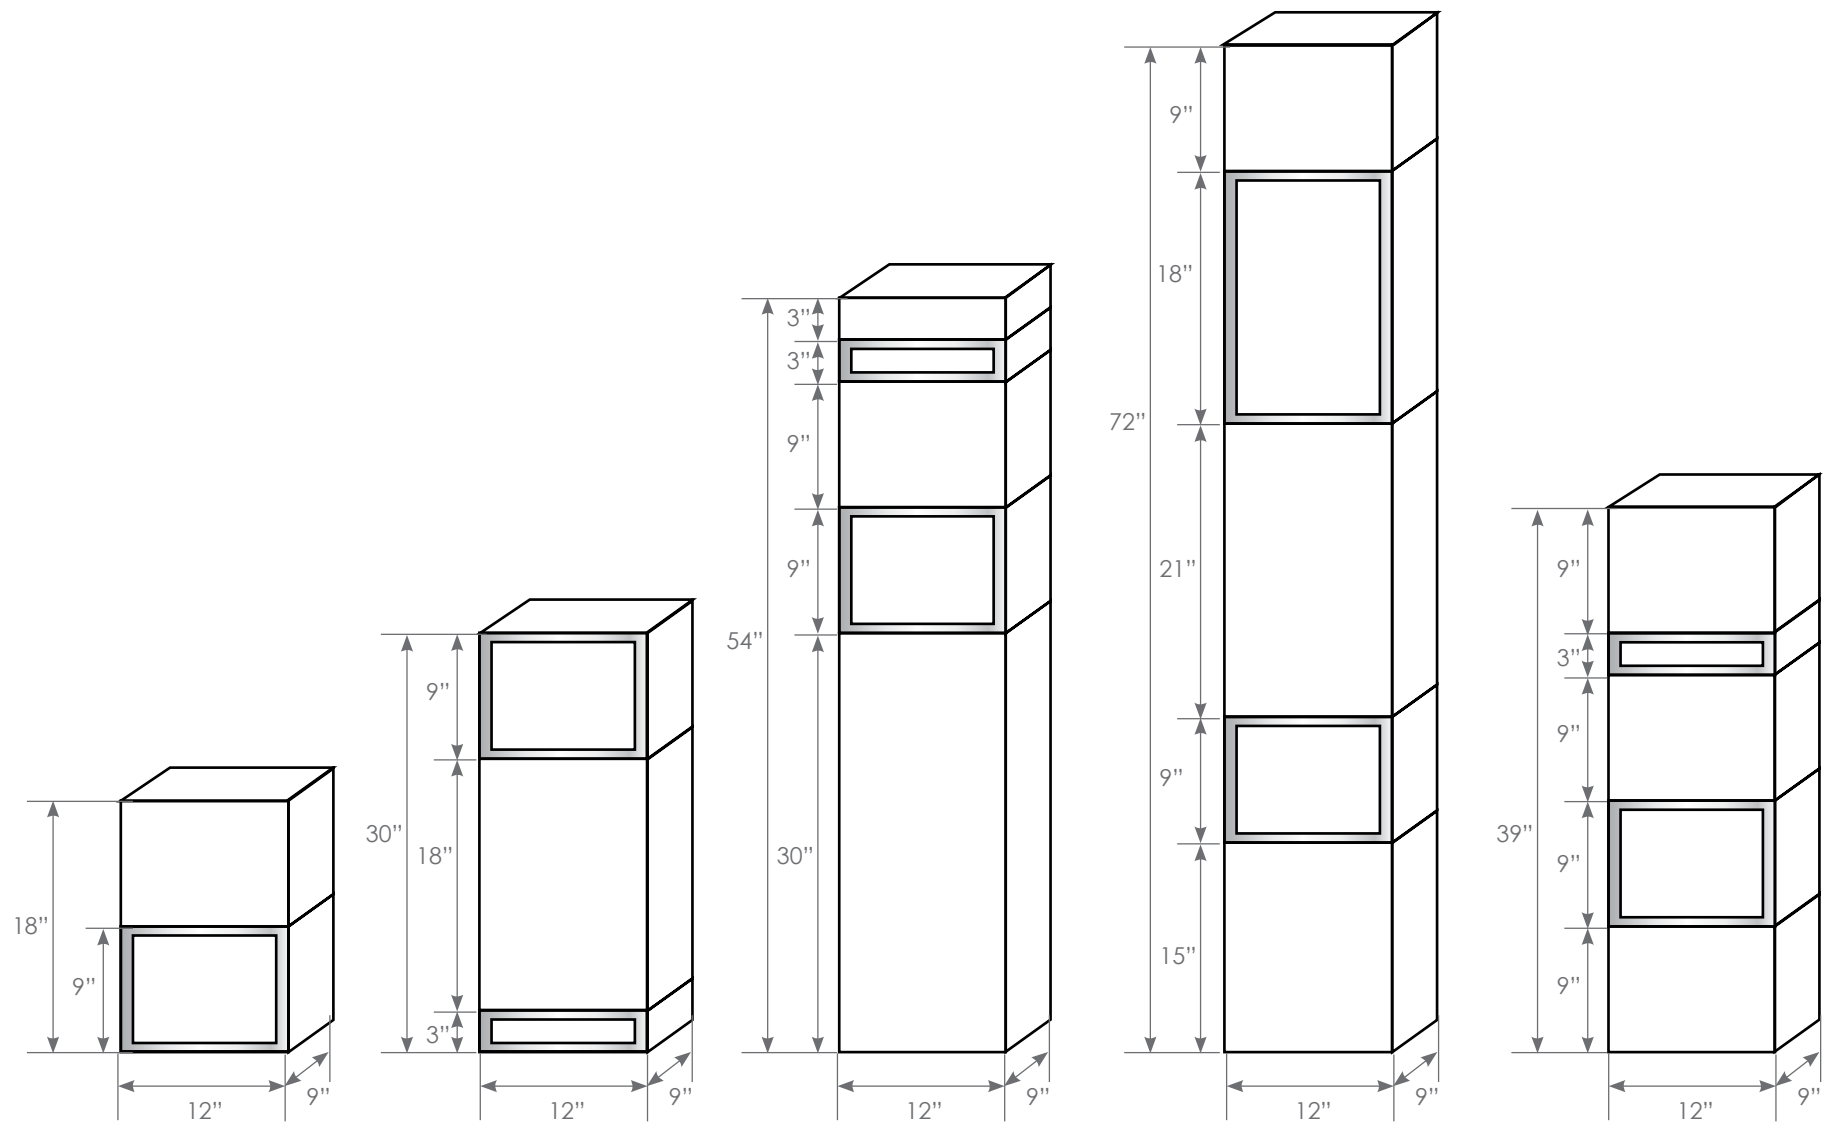

COMPTON

TRIO

Bernstein Display presents TRIO. Custom plated, half-inch steel frames are joined in a three-pedestal tower or grouped individually for the presentation of any product. Two-inch block tops or a new basin tops make TRIO handsome and versatile with silhouettes that partner with Bernstein Display's Stacker Collection.

RIBBON

RIBBON

The Ribbon collection provides a unique approach to merchandise presentation. With many visual merchandising options, this system can be customized to suit any retail environment. Each component reflects easy curves, which gives Ribbon its unique and most recognizable features. The collection is available in wall mounted or in freestanding compositions. The highlight of this collection is stainless steel grip, which has been engineered to connect each fixture component, allowing endless possibilities. The framework of this system can be powder coated in any color, with coordinating tables, risers, shelving and accessories.

Portable Table

Item# S0801005
Size 31" h x 72" w x 36" d

Need a table – don't need a table. This sleek design allows you to minimize or maximize your presentations in a snap. Just unfold the hinged bases and place the tabletop. Tabletop and bases store in a small amount of space when not in use. Strong and sculptural – can be used to merchandise product or as a meeting table. Tabletop is shown in a white, scratch-resistant laminate with polished nickel bases.

PENDANT

PENDANT

Pendant, is a merchandising system that features a group of fixture components that are suspended from a puck panel that hovers from above. This unique system allows the flexibility to arrange fixture components with endless possibilities. Choose from a variety of puck panel accessories and customize your own composition. Each accessory can easily be removed or changed with a simple turn of the system's proprietary "twist lock" feature.
